

**EEEDN**  
2023

## 2<sup>nd</sup> International Conference of the Eastern European Eating Disorder Network

**28–30 October, 2023**

CKF\_13 Fabryczna Conference Centre,  
Krakow, Poland

The Eastern European Eating Disorder Network (EEEDN) holds its second meeting with a special focus on the issue of eating disorders in times of global uncertainty.

Over the past few years, the world has faced a series of deep crises, which have not passed and have a lasting impact on our sense of safety, security, and prospects for the future.

The COVID-19 pandemic and the war in Ukraine have resulted in a steep increase in numbers of persons suffering from eating disorders.

### MAIN CONFERENCE TOPICS

- Lived experiences of eating disorders treatment: What the professionals need to know?
- Lessons learned from the pandemic. What we need to know in order to be prepared for the next one.
- Impact of major conflict. Due to Ukraine war, we all feel helpless, but what can we do that might be of benefit?
- Variety of open-paper sessions with delivery from the attendees.

### CONFERENCE LANGUAGES

English with simultaneous interpretation to Ukrainian and Russian.

### SPECIAL CONDITIONS FOR UKRAINIAN SPECIALISTS

- 50 euro registration fee
- An opportunity for 50 Ukrainian specialists living in Ukraine to have a complimentary transportation and accommodation in Krakow during the conference
- Simultaneous interpretation into Ukrainian language
